Subject:

Operative Dentistry Workshop “How To Do Posterior Composites” 27th June 2009

Bahrain Dental Society would like to invite you to attend the workshop entitled “**How To Do Posterior Composites**” presented by **Dr. Chris Lynch BDS, PhD, MFD RCSI, FDS (Rest Dent) RCSI, Senior Lecturer/ Consultant in Restorative Dentistry, Cardiff, UK, Specialist in Restorative Dentistry, Prosthodontics, Endodontics, and Periodontics**, who will be visiting Bahrain this month.

There will be Theoretical lectures on 27th June 2009 at BDS in Juffair. The aim of the workshop is to provide the participant with the knowledge to successfully place posterior composite restorations in their own practice. **The Topics to be covered at the workshop:** 1. An introduction to posterior composites 2. Where can we place posterior composites? 3. Cavity preparation Enamel- and dentine- bonding 4. Placement techniques and light-curing 5. Restoring proximal contours 6. Finishing touches-polishing and finishing techniques 7. Advanced uses of posterior composites 8. Dealing with post-treatment problems

The course is organized by the Dental Department in the Ministry of Health; part of the Dental Continuing Professional Development (CPD) Program for the year 2009-2010. In Cooperation between the Ministry of Health & Bahrain Dental Society, Bahrain Dental Society Members in the private sector are invited to join their colleagues in the Ministry & benefit from this educational activity.

Speaker: Dr. Chris Lynch BDS, PhD, MFD RCSI, FDS (Rest Dent) RCSI
